

N/A presents:

# Napa Jet Center Ongoing Instrument Pilot Ground School

Instrument Ground School every Wednesday from 6:30pm to 9:30pm. Sign up today! First class is free to view and includes an introduction to the FAA WINGS program and how to get started on the right track to staying a safe pilot. Call NJC Flight School for pricing, incentives, supplies needed, and class details at 707-603-1210 or email: <mailto:malcolml@napajetcenter.com>

**Directions:** Located in the Napa County Airport terminal conference room.

## A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
